

Dear Parents,

We are aware that we have lots of Birthdays coming up and we respectfully ask that rather than sending in cakes, sweets or chocolate to celebrate your child's special day that you consider

sending in a story book as a gift for the class. This way all the children can enjoy the story together after we have sang happy birthday and talked about special moments.

We ask this as we are a healthy school and we do also have a number of children and staff in school with food allergies.

Unfortunately, we are also unable to give out class lists for invitations to parties; however, if you want to send in blank invitations to distribute to the whole class or if your child knows their friends' names already then we are happy to hand out invitations on your behalf.

Many thanks for your continued support,

The EYFS Team.
