17th September 2018

Dear Parents,

As part of our Science topic, *Habitats*, we have been learning about different habitats and exploring habitats in the school grounds. In order to investigate a woodland habitat we would like to take the children to Childwall Woods on the afternoon of Wednesday 26th September. We will walk the children there and back and complete follow-up work in school.

If you give permission for your child to take part in this activity we would be grateful if you would sign the slip below and return it to school by Friday 21st September.

In addition, the children are learning about the Bible in RE this half-term. We have begun the topic by sharing books that are special to the children and discussing why the Bible is a special book. In this week's lesson, on Thursday 20th September, we will be looking at the Bible in greater detail. If your child has a Bible that is particularly special to them please send it into school, named, on Thursday. We will return the Bibles to the children on Friday.

Thank you for your continued support.

Yours sincerely,

Miss Bingham, Mrs. Duckworth, Mrs. Rice

.....
Walk to the woods – Wednesday 26th September

I do / do not give permission for my child..... Class

to take part in the walk to the woods on Wednesday 26th September.

Signed (parent / guardian)

And The Child Grew...Luke 2:40
