

Parent feedback from Harvest Collective Worship 17/10/19

Beautiful music and singing

Children participated well and had a lovely rapport with Rev Andrew. Fully enjoyed it all.

I really enjoyed the service/collective worship. Timing was good. Better if the children faced the parents whilst they were singing.

Lovely Harvest display and work by the children. Lovely singing too.

Lovely message and children singing - and it wasn't too long! Thank you

I loved seeing the children so involved

I enjoyed the message and the singing

Really child-friendly and engaging. Benches around the edge of the hall to see the children would be better.

It was a lovely service led well; children's behaviour was amazing!

Beautiful service. Vicar Andrew is a credit to the school. Great work children!
