

Collective Worship comments - Y5 Remembrance – 12th November 2018

Children's comments from other classes...

It really helped us to remember about all the soldiers who lost their lives. We enjoyed the acting parts.

A beautiful service; well read-parts and powerful images. Poems provided perfect focus point during the two-minute silence. Thank you.

We enjoyed Year 5's Collective Worship because it gave me hope and made me reflect on people who died in conflicts and wars.

It was a really peaceful collective worship. It was interesting to listen about people's families.

"I liked the poppies" "I liked the pictures" "I liked saying a prayer" "I liked remembering all of the soldiers"

An amazing and moving collective worship. An important reminder of what happened and why we need to remember. Fantastic organisation and delivery!

Parents and adults ...

Excellent – lest we forget. Thank you.

Dear boys and girls of Year 5, we really enjoyed your beautiful collective worship. Kind regards, students from Dreistar University, The Netherlands.

Excellent presentation in every respect. Thank you.

Exceptional and moving service of remembrance

Very good service. Very thoughtful.

Very informative and the children were great.

Really brilliant reflective remembrance service – well done!

It was inspiring, creative and well planned. I got a lot from it and really enjoyed the input from all the children.

A lovely remembrance service and valuable lesson for all the children to understand and appreciate. Thank you.

Beautifully and sensitively presented.
