

Childwall CE Primary School

'And the child grew and became strong...' Luke 2:40

WELCOME FROM OUR HEADTEACHER

Welcome. I am delighted that you are considering Childwall Church of England Primary School for your child. Ours is a community where every child is known, cared for, challenged and celebrated as we live out our Christian vision together.

“And the child grew and became strong...” (Luke 2:40) is more than our motto – it is the heartbeat of our school. Guided by God’s grace, we seek to nurture every child so that they grow socially, morally, spiritually, culturally and academically. We focus on the whole child – their character, well-being, confidence and sense of belonging – because we believe these are essential for flourishing both in this world and beyond.

We are a school of high expectations, yet with a deeply nurturing spirit. We provide academic challenge alongside emotional support, encouraging each child to thrive, not in comparison with others, but in accordance with their own potential.

I hope this prospectus gives you a glimpse of what makes Childwall such a special place. I look forward to welcoming you and your family into our school community, where together we walk in faith, inspire growth and equip young hearts and minds for **“life in all its fullness.”** (John 10:10).

Our life of faith is a defining feature of our school community. Daily acts of worship, special services and spiritual moments bring us together to reflect, celebrate and grow. Our welcoming school environment, including spaces for prayer and quiet reflection, complements our Christian ethos and helps us to gather as a family of faith in both small and large groups.

‘Pupils’ academic, creative and spiritual progress is promoted through a broad and varied provision of formal learning opportunities, enrichment activities and the many leadership responsibilities open to them. PASTORAL CARE AND WELLBEING

Our pastoral care is highly supportive and tailored to the individual needs of each child, while encouraging every pupil to be the very best they can be. This commitment was recognised when we were awarded Gold in the Inclusion Quality Mark (December 2024). Our excellent pupil attendance reflects both a genuine enjoyment of school and a strong commitment to learning. Alongside high-quality teaching, we provide a wide range of extra-curricular and enrichment opportunities, which we believe are just as important to the growth and development of every Childwall CE pupil.

“Pupils feel loved at this school. They are safe and have a clear sense of security.”

PUPIL VOICE

Our children’s ideas, opinions and suggestions are very important to us at Childwall C E Primary. We encourage every child to have a voice in school life through our ‘Agents for Change’ and other pupil groups. Representatives are chosen from each class to share their classmates’ thoughts and ideas. This helps our children feel heard and valued, and gives them real opportunities to help shape our school community.

Children at Childwall C E Primary have lots of opportunities to grow in confidence and develop new skills. They can take part in activities such as class assemblies, courageous advocacy projects, charity fundraising and sharing collective worship with the whole school. Their ideas and feedback really matter.

Pupils’ emotional health and wellbeing are given a high priority. They know that they can speak to adults at any time and that they will be listened to.
