Achievements beyond the school gates

Lauryn (Y4) and Elinor (Y6) both competed in an Irish dancing feis and both came 1st place in the championships for their age categories. They also both came 1st place in the light trophy and 1st place in the heavy trophy for their age categories.

Ariah (y2), Sophia (y1), Edith (y2), Clara (y2), Ariella (y1), Polly (y2) attend a local dance school together and performed in a dance show yesterday at the St Helens Theatre Royal.

They all worked so hard in the lead up to the show and performed brilliantly! A huge well done to them.

Olanna took part in a Balletworks show at St Helens Theatre to an audience of a few hundred people. It only happens only biennially and she has been doing 3-4 practices a week for the last few months. What an achievement Olanna, well done for your dedication and hard work.

Cartoon Club

This week, at Cartoon Club, our aspiring artists had a great time drawing very popular cartoons - the minions from Despicable Me! The children had a choice between Bob, Kevin and Stuart, haven't they turned out great?

Next week, we'll be moving on to our Christmassy cartoons. We can't wait!

Our family of faith

A reflection from Miss Barton.....

As Christmas sparkles closer, our school is beginning to feel full of excitement, music, glitter, and the rustle of costumes for the nativity! And in the middle of all that Christmas magic, I've been thinking about a very special word: **HOPE**.

Hope is a bit like a Christmas star. Even when days feel dark or cold or busy, that little star keeps shining, reminding us that good things are on the way. At school, I've seen hope everywhere:

In the children practising their lines for the nativity—even when they forget them!

In the brave voices singing carols louder and prouder each day.

In the kindness shared when someone helps a friend tie a tricky Christmas-jumper button.

Perseverance when doing assessments

And in the excitement of knowing we're getting closer to celebrating Jesus' birth.

My Christmas wish is that each child remembers that hope doesn't have to be big or shiny. Sometimes it's just a smile, a helping hand, or the belief that tomorrow can be better than today.

Calm and Connect Club - Mrs Birchall.

Calm & Connect Club - Mrs Birchall.

What a lovely week we have had in our lunchtime sessions.

We talked this week about ways that we can help ourselves feel calm and relaxed.

The children then wrote or drew their ideas down in their 'llama potion'. We talked about all the different things we could do, such as listen to music, spend time in nature, do our favourite sport, read a book, draw or colour or spend time with people we love and care for.

A big shout out for our amazing wellbeing ambassadors. They are stepping out of their comfort zones and leading some of the lunchtime sessions, doing a wonderful job. It is so lovely watching them grow in confidence and gain new skills.

I hope you all have a restful weekend x

Agents for Change & Worship Ambassadors - Charity Reverse Advent Calendar

This year, the Agents for Change & Worship Ambassadors are delighted to be running a charity initiative 'Reverse Advent Calendar' over advent to raise donations for **South Liverpool Food Bank**.

What Is a Reverse Advent Calendar?

Instead of *receiving* something each day of Advent, each class will have a designated day to *give* one type of donation that will then be given to our local food bank - **each school day in December will become a "day of giving"** rather than a day of getting.

What should I donate and when?

Please see the list of dates below to find out when your child's class donation day is as well as suggested items to donate, if you are able.
