What a fabulous morning we had celebrating the wonder of poetry in our annual Poetry Showcase. Every class, including our youngest in EYFS, learned a poem by heart and recited it to the whole school. We were treated to a poem by local author Berlie Doherty, classics by Robert Louis Stevenson and favourites by the inimitable Michael Rosen. 3B even performed a rap! This follows on from last week's visit to Anfield Stadium by twelve of our year 6 girls who represented our school beautifully at the Women in Poetry Event. We hope children were inspired and encouraged to explore poetry further, and maybe even explore rhyme and rhythm in their favourite songs.

A huge well done to our Year 4, 5 and 6 cross country runners, who competed at Newsham Park. All of the children put in a fantastic effort and showed great determination throughout their races. They represented the school superbly, and we're looking forward to hearing the final results!

Finally, congratulations to our Year 6 boys and girls who took part in a tag rugby competition this week. The children were fantastic throughout the competition, working well together, showing excellent enthusiasm and representing the school in exactly the right manner. Well done to all of our children who represented the school this week – we are very proud of you!

A big thank you to everyone who attended our Year 5 Family Learning parent workshop. We hope you found the session useful and came away with some helpful strategies and ideas to support your child's learning at home. We really appreciate you taking the time to join us and work in partnership with school to support your child's learning and progress.

YEAR 2 BOYS' FOOTBALL

Well done to our Year 2 boys' football team, who represented the school brilliantly at Anfield Sports & Community Centre. The boys played six matches in total, winning two, drawing two and losing two. Every child was fantastic throughout, showing great teamwork, effort and sportsmanship. The boys also had the special opportunity to meet former professional women's footballer Natasha Dowie, which was a brilliant experience for them!

Harvest Food Bank

Thank you for the donations made to South Liverpool Foodbank. The Agents for Change enjoyed one of their first projects and are busily planning what's next!

Our attendance

We know how busy mornings can be, but we wanted to take a moment to remind everyone just how important good attendance and punctuality are for our children. Being in school every day – and arriving on time – helps children feel settled, confident and ready to learn alongside their friends. Even missing the odd day here and there can really add up over time. The infographic below shows the impact of missed school and how it can affect children's learning, friendships and confidence as they move through school. We'd really encourage you to take a look.

Of course, we completely understand that some children have genuine circumstances that prevent them from attending school, such as health or medical needs. These situations are absolutely understandable, and we always appreciate open communication so we can support families in the best way possible. Thank you, as always, for working with us to give our children the best possible start. Every day in school makes a difference!

Our family of faith

A reflection from Mr Dutton

One of the greatest joys of working with children is seeing the look on their faces when they finally accomplish something they have found difficult. Whether it is reading a tricky word, solving a challenging problem, learning a new skill or overcoming a personal obstacle, that moment of pride reminds us why perseverance is so important.

We often learn and grow most when things don't come easily. Every mistake, another attempt and every small step forward helps us become a little more confident and resilient. As adults, we experience this too. Life does not always go to plan, and sometimes we need patience, courage and the support of those around us to keep moving forward.

Faith can also give us strength during difficult times. It can remind us to have hope, to trust that challenges can be overcome and to know that we do not have to face them alone. Faith encourages us to keep going, to believe in what is possible and to offer that same encouragement and support to others.

This week, perhaps we can all take a moment to notice and celebrate perseverance – not just the final achievement, but the effort, determination and courage it took to get there. Sometimes the greatest success is simply not giving up.

ELSA Support

Calm & Connect Club - Mrs Birchall.

During our lunchtime sessions this week, we followed on from last week's theme. We looked last week at what things we are good at, whether it was a hobby or that we are a kind friend and this week we focused on 'climbing to confidence'.

We talked about times we may have felt proud, things we are good at and the best things about ourselves!

Sometimes we can't always remember the things that we are good at but when we start talking, drawing or writing about it, it helps to remind us and builds up our confidence and self-esteem.

'Confidence grows one step at a time'.

Next week's menu

Here is a reminder of our lunchtime options:

1. Packed Lunch for Junior Children
2. Packed Lunch with Fishy Friday for Junior Children
3. School Dinner

Once you have selected an option, this will need to remain the option for the remainder of the half term. This ensures that our kitchen staff are able to order and prepare the correct number of school meals. The cost of a school dinner is £2.40 per day and must be paid for weekly in advance. All infant children receive a Universal Free School Meal.
